Shura Circle Rewards Program

The Shura Circle is a loyalty program created by the Islamic Leadership Council of New York to reward monthly donors who believe in our vision to create long-term change for the empowerment of the New York Muslim community.

As a 100% donation and grants-based organization, we completely rely on supporters like you to sustain our work and ongoing projects to elevate Muslim needs and concerns in all levels of society. Thanks to our donors, we are able to navigate large-scale projects like our Halal Integrity: Training, Inspecting & Certification program to certify halal kitchens in public schools, update the community with important news/alerts, and take on new projects of grassroots empowerment.

Please help support our work, by becoming a monthly donor, and join the Shura Circle!
